

BLACK LINE

TIGER FIRE 88 Classic Black

The most recognizable design in a trendy jacket. The Black Line exudes refinement and class, for those who want just that little bit more. Manufactured from bright steel, finished with a black heat-resistant coating. With a baking tray of 88 cm you can put all the ingredients on it for a successful barbecue with friends or family. Sit around the appliance and enjoy a pleasant chat while your dishes cook to perfection. The delicious warmth radiated by the appliance ensures unforgettable moments on those colder evenings.
